EDUCATION

University of North Carolina at Charlotte, Charlotte, NC <i>Bachelor of Science in Data Science (Sophomore)</i>	Expected May 2029 <i>GPA: 3.68</i>
Relevant Coursework: Data Structures & Algorithms, Linear Algebra, Multivariable Calculus (Calculus III), Elements of Statistics II, Intro to Computer Science II, Data & Society	
Central Piedmont Community College, Charlotte, NC <i>Associate of Science (Dual Enrollment / College Transfer – 24 Credits Earned)</i>	May 2024 – May 2025 <i>GPA: 3.88</i>

SKILLS & TECHNICAL CERTIFICATIONS

Programming & ML: Python, SQL, Scikit-Learn, Pandas, NumPy, TextBlob (NLP), Convolutional Neural Networks (CNNs), Computer Vision
Tools & Analytics: Data Visualization (Seaborn, Matplotlib), Predictive Analytics & Modeling, Health Data Analysis, VS Code, Git/GitHub
Certifications: Generative AI for Digital Marketing Specialization (IBM - Apr 2026), Inspirit AI Scholars (Stanford/MIT alumni-taught - Jul 2025)

PROJECTS & RESEARCH

Predictor of Patient Drug Response Machine Learning Project	Jun 2026
- Developed an end-to-end Python machine learning pipeline on VS Code to support precision medicine and predict patient treatment efficacy. - Preprocessed and analyzed 160,000+ patient records using TextBlob NLP to extract sentiment polarity from raw text clinical reviews. - Engineered Scikit-Learn ColumnTransformer pipelines and trained Logistic Regression and Random Forest models, achieving 75% overall accuracy and 87% recall on positive drug responses.	
Distracted Driver Detection Inspirit AI Scholars Program	Jul 2025
- Selected for intensive AI research program taught by Stanford and MIT researchers; led team in developing computer vision models. - Applied Convolutional Neural Networks (CNNs) and transfer learning to real-world driver monitoring datasets to detect distracted driving.	

WORK EXPERIENCE

Mathnasium - The Math Learning Center, Charlotte, NC <i>Mathematics Instructor</i>	June 2024 – Present
- Instruct 20+ students weekly across Algebra, Geometry, and Pre-Calculus, strengthening quantitative and analytical problem-solving skills. - Tailor structured learning plans based on individual performance metrics, translating complex mathematical concepts into actionable steps. - Monitor student growth indicators to adjust instructional pace and maximize academic mastery.	
Thinking Feet, Charlotte, NC <i>Summer Camp Supervisor (Internship)</i>	June 2023 – August 2024
- Supervised hands-on STEM and introductory programming modules, guiding youth through foundational software logic exercises. - Facilitated team-based technical activities, maintaining an organized and engaging learning environment across summer cycles.	
The Kick USA Taekwondo, Charlotte, NC <i>Taekwondo Instructor</i>	September 2022 – June 2024
Mentored students in martial arts techniques, physical conditioning, and mental discipline while enforcing strict safety protocols.
